NEWS NEWS NEWS

Good morning TPPS families
Welcome to Week 4

Netball News

Well done to our school netball team for their efforts in our most recent match against North Wagga Public School. Although we didn't come away with a win we are so proud of your sportsmanship and teamwork. This Friday an enormous squad are heading off to the Stage 2 Gala Day and we look forward to them representing our school. Congratulations to Asha and Matilda who represented the Wagga PSSA netball team and to Asha who is representing the Riverina in netball as well.

Mother's Day Stall

Thank you to our marvellous P&C who organised such a wonderful Mother's Day Stall last week. I'm sure that all the mums, grandmothers and special people in our children's lives appreciated the gifts.

P&C Meeting

It was lovely to see so many parents at the P&C meeting last week. It is very exciting to hear about the fundraising ideas for the rest of the year as they work towards getting a new outdoor playground built. They are also in the process of purchasing some more passive play equipment like large connect four games and other games.

SRC Fundraiser – Wednesday 24 May – Be Happy Day

This term the SRC have 2 fundraising activities planned. The first one is next week – Wednesday 24 May. Be Happy Day is part of our wellbeing activities. Students are encouraged to come dressed in clothes that make them feel happy (sparkles, stripes, spots or superhero capes). Students are invited to make a donation of their choice towards the SRC's project towards adding to our colourful, happy and inclusive playground.

Family Holidays in school time

We encourage our students to attend school everyday. If you need to take your child/children out of school during the term, for 5 days or over please contact the office so you can complete the application for extended leave - travel form.

School Attendance – SENTRAL app

Class rolls are marked every morning. If your child is marked absent you will receive a notification on SENTRAL for you to reply to so you can let us know the reason for the absence. If you want to let us know about an absence first thing in the morning you can put it up via the SENTRAL app without waiting for the notification. If we haven't heard from you by 11am an automated SMS message will come to your phone letting you know that we have marked your child absent and are waiting to hear from you.

Parent Transportation to events

With the sporting season heating up we are grateful for the assistance we receive from our parents and caregivers in transporting students to and from these events. It might be beneficial to note a few things about this – especially if you are asking someone else to transport your child.

For parents and caregivers who are providing transport we are required to check the following things:

- Declaration for Child-Related Workers form (available from the office) has been completed by person providing transport
- the driver is licenced
- the vehicle is registered
- we have sighted the driver's licence and car registration
- written permission from the parent or caregiver of the student being transported and by whom

Lost Property

Thank you to everyone who has written their name on their child's jumper/jacket/lunchbox/drink bottle. Now is the time of year when these things can get lost and it makes it so much easier to get it back to you if it has a name on it.

Have a great week!

PSSA Netball Knockout

Our Turvey Park PS Netball Team have represented the school in two rounds of the PSSA Netball Knockout. Coming out strong with a win in the first round against Sturt Public School. The girls then played a tough game against North Wagga PS, where we were unfortunately knocked out of the competition. The netball team can be super proud of their efforts and excellent sportsmanship.

A huge congratulations to *Asha Creek* who has been making her way through many netball trials and has been selected to be a part of the Riverina Netball Team. Well done Asha!

COMMUNITY HAPPENINGS

CareSouth Foster Care

**Could you
care for a
child with
health needs
in your
community?**

CareSouth is currently seeking individuals or couples who have time and space in their homes and hearts to care for a young child with health needs in the Wagga Wagga community. You could have experience providing in-home support or simply be willing to learn.

Ideally, you work part-time or have a primary carer in your household who is not currently working; and you have older children or are 'empty nesters'.

This is an opportunity to make a real difference in the life of a young child who is already reaching key milestones with caring support.

CareSouth will support you every step of the way. In addition, you will receive a carer allowance, medical financial assistance, as well as support from other carers.

If you are ready for a rewarding journey and think you could help, we are here to answer all your questions. Please call Rebecca Crosby in our Wagga Wagga office on **1300 554 260**.
