## FROM THE DEBATING DESK:

A big congratulations to our TPPS debating team who have now won 3 out of their 4 regional debates! With one more to complete next term, the team has gone from strength to strength and aren't looking at slowing down. These girls are to be commended for their dedication to practise, as well as their ability to quickly apply feedback. They have argued some tricky topics and have shown that they can provide convincing evidence and examples, as well as a clear, effective structure for their debates. Well done, **Imogen, Mikayla, Marley and Claire!**

Jenni Fraser

In Week 7, some of our Year 6 students attended GRIP Leadership Conference at Charles Sturt University. The conference was exciting and engaging with the students coming away full of great ideas to lead their school! Students learnt about what might be the different reasons that someone would need to lead as well as how to know it was their time to stand up and guide others. We finished off the day with students thinking about what was a specific need at Turvey Park Public School. Our students then got a chance to create their own action plan to turn their thoughts into action! Our group left very excited and are eager to enact their plans.

## NSW PSSA Touch Football knockouts

Last Month, Tuesday 25 May, a few girls and boys from Stage 3 represented our school and played in the PSSA Touch Football knockouts at Jubilee Oval. The students all played really well and tried their very best. The girls played their first round against Ashmont Public School and won which meant they were through to the next round. They then played Wagga Wagga Public School. The girls put in a great amount of effort, however, did not get the win. The girls had fun and worked well as a team. The boys had a bye in the first round, but were lucky enough to play some fun matches with other schools while they waited. The first round for the boys was against South Wagga Public School. The boys worked really hard and tried their best however South Wagga PS got the win. It was a great day and a lot of fun for the students.

## Mindfulness

The Mindfulness topic for Weeks 9 & 10 is Strength. This topic teaches students to identify and grow personal strengths, and to recognise and appreciate individual differences and strengths in others.

### Try it at home with the family:

What I'm good at - draw a picture of something you are good at, for example, playing sport, listening or being friendly.

## NEWS NEWS NEWS

Good morning Turvey Park PS families

- Only eight more school days to go before we have our school holidays. In this time, we have many school activities for our students to attend and take part in. Please watch for the reminders in our newsletter so you don't miss anything.
- Congratulations to our skilful and talented debating team and their coach! Mikayla, Claire, Imogen and Marley – along with Jenni Fraser – have been debating almost every week for a month now and are yet to be beaten regionally! Well done!!!
- Thank you to the parents and carers who are helping us to maintain a hygienic and covid safe environment at TPPS. At this stage we are still required to have visitors sign in using the Department of Education's form and scan in using the NSW Health Department's QR code. We are also encouraged to apply social distancing guidelines where practical.
- I would like to thank the staff of TPPS for the amazing job they do caring for all the little people in our school. It is wonderful to know that all our students have someone watching out for them and making sure they get a chance to be the best little person they can be. Your child is definitely known, valued and cared for.

Have a great week

*Anna Roberts*
