# NEWS NEWS NEWS

Good morning TPPS families

Welcome back to Term 3. We are still learning face to face in NSW regional schools but there are several restrictions in place for schools. These also change regularly – particularly with sport gala days, regional choir and excursions – and we will keep you up to date.

- No unnecessary visitors can come on site. Thank you very much for waiting at our 'gates' and understanding we can't have visitors at our assemblies.
- Thank you for wearing masks when you come into our office area.
- We can continue with excursions in our local government area if we are the only group at the venue. For all excursions we have planned, we will find out if we meet this requirement and we will keep families informed via the newsletter, SchoolStream, our Facebook page and teacher communication channels (Dojo etc).
- If you have been to Greater Sydney (including Blue Mountains, Central Coast, Wollongong and Shellharbour) you must self-isolate for 14 days (from the date you left the area) before you can attend work or school. We have online and home learning options for any affected students.
- Any staff or students who have cold and flu like symptoms will be sent home and can not return until they have a negative COVID test or a letter from their GP explaining the symptoms are regular ones for sinus, hayfever, asthma etc.

We are extremely grateful that we are teaching our students here at TPPS and we feel lucky that we are not affected greatly by the regional restrictions around COVID-19.

Please contact us if you have any questions or issues; we will do our best to answer them or find out for you.

Have a great week!

*Anna Roberts*  
*Principal*
