

1RH Procedural Writing

1RH have been focusing on procedural writing this term. They were shown the steps to make fairy bread, they wrote them and then they made it based on the steps that they wrote. Finally they got to enjoy eating their fairy bread!

Jump Rope for Heart kicks off this term!

Jump Rope for Heart is a fantastic physical activity and fundraising program that has been run by the Heart Foundation for over 36 years. It's a great way for your child to keep fit and learn new skills, but it also helps raise funds for vital heart research and education programs.

Since Jump Rope for Heart started in 1983, schools like ours have raised more than \$104 million for the Heart Foundation's lifesaving work.

It's important you **register your child online**, so they can receive the full benefits of the program and participate in online fundraising. Simply follow the link below to get started.

www.jumprope.org.au/parents

Students will be skipping *throughout the term* in PE lessons/during lunch break/for morning fitness. During this term you can share their online fundraising page with family and friends to help raise money for this great cause.

We will hold our school Jump Off Day on Thursday 16th September 2021. This will mark the end of the program and is a chance for everyone to come together to skip and show off their newly learned skills. Every child has received a *Guide for parents*, and this also explains how to sign your child up.

Thank you for supporting the Jump Rope for Heart program!

PREMIER'S SPORTING CHALLENGE

This year our school has registered to participate in the NSW Premier's Sporting Challenge. The purpose of the challenge is to encourage students to participate in sport and physical activity to lead a healthy lifestyle.

Over a ten week period, our school will be monitoring physical activity levels during class time, at recess and lunch as well as during sport lessons. Physical activity outside school hours will also count towards the Challenge award. The aim is to work towards an average at least 60 minutes of activity a day for ten weeks.

Our 2021 House Captains are our official PSC ambassadors and will be promoting the challenge throughout the school. This includes leading by example in the playground, helping set up physical education games and assisting teachers to enter student results on the website.

We would like to invite families to support us in encouraging students' healthy use of leisure time and to experience the joy of being active together. Each student in years 3-6 will be issued with a logbook to record their daily physical activity. K-2 students will work towards a Gold class award level. At the end of the challenge, students will receive a certificate of participation. Let's get active Turvey Park!!

ARRIVING and LEAVING SCHOOL GROUNDS

Please be aware that due to COVID restrictions, there are only 3 entry points for students and staff to the school grounds:

Mair Street (path)
Blamey Street (steps)
Halloran Street (near the Hall)

We need to ensure that all students are having their hands sanitised as per current COVID guidelines.

If you are bringing your child to school late or need to pick your child up early, please remember that you must do this via the front office. Please be aware that adults must wear a mask when entering the office foyer.

Thank you!

NEWS NEWS NEWS

Good morning TPPS families

I hope everyone is well and staying safe.

- This week is Education Week. We are celebrating how strong and inclusive our schools are in Public Education. Our public schools have dedicated staff who work extremely hard to support all the students whose families have trusted us to care for and teach their children.
- There are over 1600 public primary schools in NSW teaching more than 810 000 students and Turvey Park PS is one of these amazing schools. Our school has 364 students from 15 different cultures and our students speak a variety of different languages. We are truly an amazing and inclusive school.
- The staff at TPPS are proud public school educators and are honoured to be able to teach your children and to work together with you to support your child's learning. It is an enormous responsibility and we take it seriously.

Happy Education Week! I hope you get a chance to go to the Marketplace and see our learning boards We have put together different work samples representing all our classes to show the Wagga Wagga community.

Because of COVID restrictions, we are unable to have our performances in the Marketplace this year and showcase the exciting performances we take part in at TPPS.

- Safety reminder – Any students who haven't been picked up after school (by 3:35pm) will be walked around to the bus shelter on Halloran Street. The bus duty teacher is there until 4pm and can supervise students until their adult makes it to TPPS to pick them up.

Have a great week

Anna Roberts - Principal

Turvey Park Public School Mindfulness

The Mindfulness topic for Weeks 3 & 4. The mindfulness topic for Weeks 3 and 4 is Decision Making. Making decisions uses your logic, reasoning and intuition. This topic focuses on tuning into your gut feeling to know which decision is best.

Try it at home with the family:

Week 3

Talking about how your gut feelings helped you make a decision during the day. What were the feelings that let you know, your decision was right and how did your decision pan out?

Week 4

Drawing a picture of something that you have made a decision about. Around the picture write or draw the feelings that you listened to in order to make your decision.
