# NEWS NEWS NEWS

Good morning TPPS families  
Welcome to Week 7

## Welcome back Stage Three!

It is so lovely to have all of our students back on site with us and we are so pleased to have our Stage Three students back at TPPS. We have missed them. 5/6G are back in their room, while the other classes are downstairs until the end of the term when their carpets are replaced.

## P&C Father's Day Stall

Thank you to the P&C who organised another wonderful Father's Day Stall for all the special father figures we have in our lives. The students had a fabulous time choosing special pieces for their dads, grandfathers and other special people in their lives.

## Peer Support

Our senior students have completed their training in how to lead peer support and have organised some wonderful activities to share with their groups. Peer Support program help to create strong relationships between our students and allow them to become more connected, empowered, resilient and emotionally literate. These student run sessions will begin on Friday next week and go for 5 weeks.

## Check in Assessments

Next week our Year 6 students will be sitting their next Check-In Assessment. Years 3,4 & 5 will sit theirs early next term.

## School Bytes

Last week we have moved over to a new payment method. Over the coming weeks, as you child has events to attend or payments to receive, you will be receiving an email to explain how this works. We will still send messages via the SENTRAL for Parents app. The email will provide you with a link to the School Bytes system which will have the permission note and the link to pay.

Current events to watch out for are the Year 2 Swimming and the Stage 3 Canberra excursion.

If you receive an email please follow the link to the School Bytes Portal where you will need to register and it will then take you through to the permission note and payment section.

## Building Update

### Stage 2

This week 3/4S, 3/4C& 3/4F have all returned upstairs to their classrooms. This has provided a lot of joy and contentment at being back in their rooms. We have ordered new student desks and they will arrive in the holidays. The classrooms will also be painted over the holidays as part of scheduled planned maintenance of the building.

### Stage 3

Our Stage 3 students have returned to us this week. 5/6G have returned straight to their normal room while the other Stage 3 classes will be downstairs until after the carpet in their rooms is replaced in the holidays. Their classrooms are being painted this week and their new tables will arrive in the holidays.

## Admin

The admin section is still closed off. Cleaning is almost complete in this space and the floorboards have been replaced. Over the next few weeks the carpet will be replaced, the wall patched up and painting will occur. Please keep using our new admin entrance down in the Infants building if you need to pick up your child early.

## Kindergarten Enrolments – if your child is turning 6 next year

If your child (or a child you know) is turning 6 next year and is planning on enrolling at Turvey Park Public School can you please ensure you have filled out the online enrolment form and start providing your 100 points of evidence of your address. Please pass this on to anyone else who you know who lives in our zone. We have a few people we will need to follow up who need to bring in their 100 points. Please see the attached information about documentation.

## High School Enrolments

If your child is heading off to high school next year you will also need to look out what documentation you will need to provide to them regarding your 100 points for proof of address. So please have a look at the guide we have put together for our Kindy students as it may give you an idea of what you may need for high school as well. Heading into next term there will be high school orientation days for your child to attend.

Have a great week!
