# NEWS NEWS NEWS

Good morning TPPS families  
Welcome to Week 8

## **SASS Recognition Week**

This week we celebrate and thank our SASS staff for everything they do to support our students and staff. From working one on one with our students in classrooms to answering phones and welcoming our community at the front office and everything in between. Thank you!

## **Peer Support**

Our senior students have completed their training in how to lead peer support and have organised some wonderful activities to share with their groups. Peer Support program help to create strong relationships between our students and allow them to become more connected, empowered, resilient and emotionally literate. These student run sessions will begin on Friday and go for 5 weeks.

## **School Bytes**

Over the last few weeks we have moved over to a new payment method. Over the coming weeks, as you child has events to attend or payments to receive, you will be receiving an email. We will still send messages via the SENTRAL for Parents app. The email will provide you with a link to the School Bytes system which will have the permission note and the link to pay.

Current events to watch out for are the Year 2 Swimming, Kindergarten gymnastics and the Stage 3 Canberra excursion.

If you receive an email please follow the link to the School Bytes Portal where you will need to register and it will then take you through to the permission note and payment section.

## **Year 6 Check in Assessments**

This week our Year 6 students have completed their next Check-In Assessment. Years 3,4 & 5 will sit theirs early next term.

## **Building Update**

### **Stage 2**

Last week 3/4S, 3/4C& 3/4F have all returned upstairs to their classrooms. This has provided a lot of joy and contentment at being back in their rooms. We have ordered new student desks and they will arrive in the first week of next term. The classrooms will also be painted over the holidays as part of scheduled planned maintenance of the building.

### **Stage 3**

Our Stage 3 students have returned to us last week. 5/6G have returned straight to their normal room while the other Stage 3 classes will be downstairs until after the carpet in their rooms is replaced in the holidays. Their classrooms are being painted this week and their new tables will arrive in the first week of next term.

## **Admin**

The admin section is still closed off. Cleaning is now complete in this space and the floorboards have been replaced. Today they have started painting the walls. Over the next few weeks the carpet will be replaced. Please keep using our new admin entrance down in the Infants building if you need to pick up your child early.

## **ESI - Kindergarten**

Kindergarten have enjoyed learning together this term and break out into individual classes again in Term 4.

## **Kindergarten Enrolments – if your child is turning 6 next year**

Please pass this on to anyone else who you know who lives in our zone. We have a few people we will need to follow up who need to bring in their 100 points. ## **Alabama Trip**

You may recall that last term we had 2 visitors from Alabama visit our school to learn more about the Australian education system. I am off next week to visit their schools and Auburn university to learn more about their education system. I look forward to sharing my experience with you all when I return next term.

## Regional PSSA Athletics Carnival Friday 25 August 2023

'Regional PSSA Athletics inspires rising champions to shine bright'.

Athletics from across the region converged to compete in a variety of track and field events on a glorious winter's day in August. Our very own athletics Zara, Ada, Leni, Ruben, Cooper, Violet and Sfwan displayed exceptional skill and dedication to their event, culminating in the emergence of several rising champions. Among the standout performances was Ada who made it through to the 100m finals, Ruben and Leni fantastically striding out their 100m heats, and Violet who smashed her personal best time in the 1500m by 15 seconds. To top off the event, our youngest and oldest competitors Zara and Sfwan both qualified with impressively fast speed and precision in the 100m dash as well as Cooper who delivered the unique blend of strength, technique and precision in the Junior boys shot put. These three athletics have earned themselves an invitation to Sydney to compete at a state level.

Regional athletics competitions stand as a testament to the power of dedication, resilience and passion, reminding us that the journey from promising athletic to celebrated champion is defined by unwavering commitment and the pursuit of excellence.

Congratulations to all our Turvey Park athletics, we are so proud of you all! Good luck to Zara, Cooper and Sfwan in the next level of competition, we will be cheering you on!
