# NEWS NEWS NEWS

Good morning TPPS families

Welcome to Week 9

## Student Teachers

A big thank you to our Turvey Park teachers who continue to welcome a number of student teachers into their classrooms ensuring that the next generation of teachers receive the support they deserve during their training. We wish the very best to two of our student teachers who will finish up their final placements in the next week ready to officially begin their teaching careers, and we welcome another into the 3/4M classroom. They are all doing a great job and we wish them well for their next chapter.

## Social Work Students

Along with our student teachers, we are also hosting two student social workers. They will be with us until the end of Term 4. Both ladies are currently in our school getting to know teachers and students. They will be working on some projects to support our children, developing their skills and strategies when dealing with the challenges of life.

## Peer Support

Peer support began last Friday and it was great to see our senior students building relationships with our younger students. It can be daunting getting up and leading groups, so it was fantastic to see them trying different strategies and finding out what works for them. The content is focused towards teamwork and supporting each other to become successful every day.

## Year 6 Check in Assessments

Year 6 students completed the departments 'Check In' assessments for writing, numeracy and reading, with the data helping teachers understand the needs of the students and how we can adjust our programs to better support everyone. Year 3, 4 and 5 will have their turn in the first few weeks of Term 4.

## Building Update

The works are continuing on track with the admin building and Stage 3 classrooms upstairs now painted. We are hoping to have lights and fans installed in the admin area this week and plans are being finalised to replace the flooring in the upstairs Stage 3 area.

Our contractors are doing a great job and we are being supported wonderfully by a team from the department.

## Kindergarten Transition

We are looking forward to meeting the newest members of Turvey Park Public school with our 2024 Kindergarten enrolments to begin some transition visits during Term 4. Information regarding dates and times is being finalised and will be communicated soon.

## Planning Days

This week, teachers are working closely in their stage teams, exploring data and writing programs to ensure students are progressing well towards their goals. These sessions are invaluable to ensure every child is supported and catered for.

## P&C Meeting

The next P&C meeting will be held tonight, Wednesday 13 September at 7pm in the library.

## Referendum

This week we were notified that Turvey Park PS will again be a polling station for the upcoming referendum on Saturday 14th October. This will mean that our famous BBQ will most likely be in operation again.

## 50th Wagga Lake Run and Ride

Not only is this a great opportunity to get out and soak up the improving weather on a 5km or 10km walk, run or ride around the streets of Koorngal and Lake Albert, but the school with the highest participation rate on the day will win a \$500 cash prize. You just need to turn up and register.

Date: Sunday 24th September

Location: Apex Park- Lake Albert (start and finish)

Time: 9:30am

Cost: Free

Have a great week!
